MARK

CONVENTION PROGRAM AND ANNOUNCEMENT

THE PAGES which follow contain an outline of the business and social programme that has been prepared for the 1907 Annual Meeting of the C.M.A. The event will undoubtedly be one of unusual profit and enjoyment. Never before have the committees been able to report so many valuable results achieved; never have there been so many important recommendations to discuss. Speakers of unquestioned authority in their respective spheres have been secured, both for the banquet and the business sessions. An elaborate programme of entertainment has been mapped out which insures a good time for everybody.

Throughout the year the standing committees have all been giving the best that was in them to advance your interests. The local committees of the Toronto Branch have been working indefatigably to provide for your comfort and entertainment. Their services deserve recognition, and it is hoped that you will show your appreciation by coming to the Convention, by attending the meetings regularly, and by participating in the proceedings.

SPECIAL RAILWAY RATES

SINGLE first-class fare for the round trip will be in effect for members from all points in Canada on the certificate plan. Tickets will be on sale at stations east of Port Arthur from September 20th to 26th inclusive, and certificates will be honored at Toronto for return transportation up to and including September 30th. Liberal extensions of time have been provided for in the case of members from west of Port Arthur. Delegates should be careful to secure the standard convention certificate when purchasing their one-way ticket, and to have this certificate vised at the office of the Secretary during the progress of the meeting.

VISITORS' PRIVILEGES

THROUGH the kindness of the Canadian Pacific Railway Co. and the Great North Western Telegraph Co., all registered delegates at the Convention will be permitted to send social messages to their friends in any part of Canada free of charge during the three days of the meeting.

The privileges of the National Club, the Royal Canadian Yacht Club and the Lambton Golf and Country Club have also been generously extended to all visitors from outside points.

It is perhaps unnecessary to add that the telegraph privileges are for use, not for abuse. Delegates will confer a favor by displaying their registration badge each time they have occasion to make use of them.

King Edward Hotel

Convention Headquarters

THE King Edward Hotel has been selected as headquarters for the Convention on account of its convenient location, and its general adaptability to the requirements of the occasion. Besides furnishing the necessary housing accommodation for the majority of visiting members, it enables the Association to have its registration offices, its committee rooms, its assembly hall, its reception room, and its banqueting hall, all under one roof.

HOTELS Delegates wishing to stay at the King Edward should forward their reservations at once to the Manager, King Edward Hotel, Toronto. Everything is on the European plan, and rates vary from \$1.50 to \$5.00 per room per day.

Other hotels which the Reception Committee have pleasure in recommending are : The Queen's, \$3.50 up ; The Rossin House, \$2.50 up ; Iroquois, \$2.00 to \$2.50 ; Walker House, \$2.00 to \$3.00 ; Palmer House, \$2.00 to \$2.50 ; Grand Union, \$2.00 to \$2.50, and the Arlington, \$2.00 up.

L. G. Read

J. A. Emery

J. Hardwell

AN INNOVATION which it is believed will be welcomed is the introduction of outside speakers at the business sessions. Mr. L. G. Read, of Montreal, is a Consulting Engineer of high standing, whose talk on the Cost of Power will be listened to with great interest.

r. Fernow is Dean of the Faculty of Forestry in Toronto University, and considered one of the foremost authorities in his profession. Mr. Jas. A. Emery enjoys a continental reputation as a student of labor problems; his address on Industrial Education will be one of the treats of the Convention. Mr. James Hardwell, as Chief Traffic Officer of the Board of Railway Commissioners, and Mr. Arch. Blue, Chief Officer of the Dominion Census, are men whom manufacturers will be glad to have the opportunity of meeting.

These addresses should brighten up the proceedings very considerably and relieve the strain that is sometimes felt when business becomes protracted.

PUBLIC RECEPTION

AT EIGHT o'clock Tuesday evening the social programme will be ushered in with a reception given by Toronto members in honor of their guests. The handsome drawing-rooms on the first floor of the King Edward have been set apart for this purpose. Short addresses of welcome will be delivered by Mayor Coatsworth, Hon. J. P. Whitney and Mr. Ed. Freyseng Chairman of the Toronto Branch, while Vice-President Hon. J. D. Rolland will reply on behalf of the Association. Advantage will be taken of this occasion to present Ex-President Ballantyne with an illuminated address.

Vocal and instrumental music by some of Toronto's leading artists, and light refreshments served in the King Edward's far-famed style, will lend an added charm to an already delightful evening.

Lambton Clubhouse

A JAUNT TO LAMBTON

AT TWO o'clock Wednesday tally-ho's will be in waiting at the Victoria St. door of the King Edward to take the ladies of the party for a drive about the city. Lambton Club will be the objective point, and on arrival there, about 3.30, afternoon tea will be served on the broad verandahs.

Lambton is one of America's finest country clubs and will well repay a visit. Situated on the brow of a hill overlooking the picturesque valley of the Humber, it commands a view of shelving terraces and well kept greens, of shady groves with glimpses of winding stream in between, that never fails to charm and to delight.

A return along the beautiful driveways of High Park will bring the party back in plenty of time to prepare for an evening of rollicking fun at the theatre.

Royal
Alexandra

THE THEATRE PARTY

TORONTO is proud of her new play-house, the Royal Alexandra, and well she might be. Named after Her Majesty the Queen, its furnishings and decorations are on a scale of truly regal splendour. Through the kindness of the Toronto members free seats will be provided for the visitors and their ladies on Wednesday evening. The attraction will be De Wolf Hopper, the King of Comic Opera, in one of his inimitable productions entitled "Happyland."

The reputation this Actor enjoys as a fun-maker ensures an evening of solid enjoyment.

Applications for tickets should be made early to the Secretary.

Government House

THE GARDEN PARTY

GOVERNMENT House has long been noted for the hospitality of its host and hostess, and the announcement that it will be the scene of a garden party for the Convention delegates on Thursday afternoon will doubtless attract a large gathering. The terraced lawns to the south of the stately old building always present a charming appearance when the ladies take possession, their pretty costumes combining with nature's rich green setting and the scarlet uniforms of the musicians to form a scene of unusual beauty.

Cards of invitation may be had on application to the Secretary.

THE BANQUET

THE Convention will reach a fitting climax in the Banquet with which it will be concluded on Thursday evening. In times past the enjoyment of this function has been marred by too long a programme. This year there will be only five or six speakers, but

those who do speak will have ample opportunity to do justice to their respective subjects. Among the number will be Sir Wilfrid Laurier, Hon. J. P. Whitney, Mr. G. T. Blackstock, Major G. W. Stephens, Mr. S. J. Moore and Hon. J. D. Rolland.

An interesting feature of the banquet will be the distribution of souvenirs by local members. Some pleasing surprises are said to be forthcoming.

Reserved seat tickets, \$5.00 each, will be disposed of in the order of application. The accommodation is limited strictly to 350. So that visiting members may have first call, no tickets will be sold to Toronto members till 12 o'clock noon, Wednesday, September 25th.

MODEL FACTORIES

ACORDIAL invitation is extended to members from outside of Toronto to visit the establishment of firms whose names are mentioned below. Competent guides will be in attendance to show them about, and to explain points of interest. Cards of introduction and information how to reach the various places may be had at the Secretary's office, or on application to Mr. G. Frank Beer, Mr. John Firstbrook or Mr. Ed. Freyseng.

The Mail Job Printing Co., Ltd., The Chapman Double Ball Bearing Co., Ltd., The City Dairy Co., The Brown-Searle Printing Co., The Cowan Co., The Freyseng Cork Co., Ltd., The Gold Medal Furniture Co., Ltd., The Harris Lithographing Co., The Hunter-Rose Co., Ltd., The Imrie Printing Co., R. Ellis & Co., Ltd., The Toronto Lithographing Co., Ltd., The Featherbone Novelty Mfg., Ltd., Canada Foundry Co., Ltd., St. Davids Wine Growers Co., Fairbanks-Morse, Canadian Mfg. Co., Ltd., J. J. McLaughlin, Ltd.

THE EXCURSION

FRIDAY will be recreation day, and all those who can possibly spare the time are urged to take in the excursion to Hamilton and the Falls. The "Manufacturers' Special" will leave the Union Depot sharp at 8.30 a.m., arriving in Hamilton an hour later. A visit will there be paid to the interesting shops of the International Harvester Co. and the Canadian Westinghouse Co., after which the entire party will be taken for a drive about the city.

As soon as lunch is over the train will leave for Niagara Falls, where every opportunity will be given members to look over the huge power plants now in operation. For supper they will be the guests of the Niagara Falls Board of Trade at the Clifton House, when short speeches will be delivered appropriate to the occasion.

Round trip tickets at \$1.00 will be on sale in the Secretary's office.
